

## *MSS™ Metal Siding Screw*

- Recessed drive
- Powder coated in many colors
- No pre-drilling
- Metal to wood or metal to metal construction
- Can be used for roofing
- Available with drill-tip or Zip-Tip™

- patented -

The MSS™ was developed and patented based on the RSS™ model. This screw has an integrated washer-head and is complemented by a rubber washer below the screw head. No pre-drilling is needed due to the MSS™ multiple tip design for thin sidings as well as thick studs. The MSS™ is available in different colors to match siding appearance and is powder coated for exceptionally high corrosion resistance.

## *MSS™ Bit Holder*

- Strongest bit holder in the industry
- Magnetic
